This is to certify

BANTOCK PRIMARY SCHOOL

is awarded **EXCELLENT** status in commitment
shown to PE and School Sport
2019 – 2020

D Jones

School Games Organiser

In partnership with:

As a result of the current Coronavirus pandemic, the School Games Mark at National level will not take place for the 2019/20 academic year.

School Games Organisers across the Black Country and Active Black Country have run their own version of the School Games Mark to award commitment towards the School Games, PE, Physical Activity, School Sport and also home learning during the Covid-19 School Closures.

The Black Country Commitment Award for PE & School Sport allows schools to document and showcase the outstanding work that has already taken place throughout the 2019/20 academic year.

We at Bantock Primary, are thrilled to announce that we have been awarded the EXCELLENT grade for our contribution to PE and school sport.
