Bantock Primary School is becoming a 'cashless' school and therefore payment for educational visits and other school items are paid for using SIMS Pay.

SIMS Pay is an online payment system, which enables schools to collect payment for items such as school meals, trips, events, clubs and other school activities, in a safe and secure way.

The benefits of using SIMS Pay include:

- The ability to make safe and secure online payments at any time of the day.
- The ability to make payments via debit or credit card.
- The ability to pre-pay for school meals.

- The ability to view current balances and a payment history.
